Cricket
Throughout term 3 our school has focussed on cricket as an Active After School Community sport, so it was with some excitement that last Wednesday the Upper Division class travelled to Forbes to take part in the Milo T20 Blast Cricket competition.
The children had a great day playing several games of cricket. Many said they woke up sore the next morning from the terrific workout. The children should be congratulated on the sportsmanship and wonderful manners.
Bedgerabong was represented in all three sections - Stage 3, Stage 2 boys and Stage 2 girls.
Kalari-Lachlan River Arts Festival
Thank you to everyone that was able to return the expression of interest notes to participate in the Kalari-Lachlan River Arts Festival musical extravaganza. We have already mastered 2 of the songs for the performance and will focus on the remaining two after the break. Peter Kennard, the coordinator is visiting us this week and we will have more details about any rehearsals very, very soon. 

LATE BREAKING NEWS. KALARI-LACHLAN RIVER ARTS REHEARSAL- BEDGERABONG SCHOOL 10AM-12PM FRIDAY 4th OCTOBER followed by a sausage sizzle. As many participants as possible are required.

Parking at school.
Our school has a small amount of traffic through every day. On most occasions it causes no concern, but please be aware that once you enter the school gates there may be children around so please reduce your speed and stick to the roadway. Parking for visitors that have to enter the school is at the front of the library or at the tennis courts. Staff parking is near the office building. If at all possible please avoid driving or parking on the lawns.

Student Absences
It a legal requirement that a written explanation for student absences is provided to the school within 7 days of the absence. Partial absences also require a note. Our school has a sign in/out book that is situated in the office. This is to be used by anyone bringing a student in after school starts or collecting before school ends. It would be very much appreciated if parents or careers make use of this register.

Community Helper Excursion
The excursion to Murray and Katy Brown’s farm ‘Glamis’ is this Friday the 20th September. Russell’s bus will leave the school at 11am. Mr Rubie will visit with the local fire truck and explain what his role is in the community. Mr Brown will also discuss his job as a farmer. Casual ‘farm’ clothes such as jeans and boots can be worn on the day. Please remember to pack recess and a drink. A BBQ lunch will be provided. The children will return on Russell’s bus at 2.45 pm. Mrs Corke is the supervising teacher.

Parent meeting - Kindergarten Orientation
A meeting will be held on Thursday 10th October at 3.30pm for all parents who are enrolling their child for Kindergarten 2014. The meeting will provide an overview of the school and what to expect for your child in Kindergarten. Mrs Margot Rubie (P & C president) will attend and discuss how to be actively involved in the P & C. Mrs Anita Cantwell will be available to discuss uniform orders. The Kindergarten Orientation days will be confirmed at this meeting. Mrs Corke.

Pizza Scrolls were made for the last week along with slices and cakes for our Canberra excursion.

Garden Update
The beetroot harvested from our garden was made into Beetroot and Orange chutney and is available for sale at school. This chutney is great on biscuits with cheese and coming into the celebrating season this would be a great addition to any barbecue plate. There is a limited amount of Swiss Chard for sale if anyone would like to buy some. It will be $3 a bunch, you can come and pick it yourself or order it through school and we will send it home with the kids.
We planted tomatoes, capsicums and zucchinis just before the rain, here’s to hoping we don’t get that late frost.

Tootie Fruity Term 4
Payments for term 4 will be the same as for Term 3, those that pay up front will pay $50 per family and those that choose to pay by the week will pay $8 per week. Tootie Fruity will be continued for the whole term even during swimming. The children will prepare the food before going to the pool to be able to eat it at the pool. This year the children will again do a gingerbread item to be auctioned at Presentation Night, at the moment they will probably construct a gingerbread train full of goodies.
Payment for term 4 can be made now if you wish, if not don’t forget to send money the first day of term 4 as cooking will be held on the first Wednesday.

P&C Update
Bedgerabong School Fair and Market Day
At our P&C meeting on Monday, we decided to have a Spring School Fair and Market day, where people can hire a stall site to sell goods. We also thought it would be a great opportunity to maximise our fundraising efforts and make it a fair as well. We are planning to hold this on Saturday 19th of October (2nd Saturday back after the next holidays).

Term 4
Don’t forget that term 4 starts on Tuesday 8th October due to the Labour Day holiday on Monday 7th October.
Cricket cont.
Following is how some of our roving reporters captured the day.
On the eleventh of September we played a game of T 20 cricket. The stage two boys team was Sean, Daryl, Campbell, Austen, Harrison, Sam, Ethan and Ryan. Thanks to the three Year two boys for stepping up. The first game we lost but with most players hitting fours and some hitting sixes. It was a good game against the Forbes North team. The next game we played was against Forbes Public team B. We lost that game by four points. I think there were no sixes in that game but we hit lots of fours. In the third game we won by one point. YAY! About two sixes and a few fours were scored in a very close game against Forbes Public team A. We lost in the last game but we had lots of fun that game. We played Forbes North again.

My team and I went to cricket. Every one tried - that was the good thing. Some people couldn’t play very well but they were very brave. Let’s get to the good part - we all played well. The first game was pretty hard but we did a great job all because of team work. We were telling each other where and when to go when they were not sure. Saying ‘good luck’ and ‘you did well’ helped make it the best time ever. We didn’t win in the first game but we tried. But in the second game we were amazing. WE WON! It was the best thing ever! We had a good game. In the end we made a good team and we were very proud of ourselves.
Reporter – Harriet P

It was an exciting day for everyone. Even when we didn’t get runs for the team they would still cheer us on. I found that it was very fishy and it just made my day. Even when people would be rude or mean we just chose our attitude and kept on playing the game fairly. The funniest part of the day was when Harry kept on thinking a girl on another team was calling him a ‘chameleon’ but they were just calling him a comedian because he was making everyone laugh. To top off the day we won a few games too.
